NEW YORK HERALD, SATURDAY, MARCH 22, 1856.

Mr. Barnum certainly could have told without much "squeesing," that leaf year he commenced suite against Byalding & Regers in the Supreme Court of this State, involving the matter in dispute about the giraffe, and that he very unaccountably paid costs and writhdrew the sait just before it was reached, after reading the testimony taken in the case under a commission. After Mr. Barnum's admission that he "never knew the meaning of the expression" bills payable "until a year past," it will be charitable to a trivinte this placing the balance to the wrong side to a natural confusion between "bills payable" and "bills receivable;" still, a reasonable regard for the interest of the creditors would suggest a more careful weighing of words. In this connection, it will be interesting to see whether the matter in singular in this girafe case be placed amongst the liabilities or the assets, in the statement of his bookkeeper, which Mr. Burnum has promised his creditors, amongst whom are

To SOUTHERNERS, DRINKERS OF CONGRESS WA
ter.—We are reliably informed that mineral waters useder the name of "Saratoga" water, and salts under the name
of "Saratoga" salts, are extensively imposed upon the public
in the Southern and Southwestern States, where persons buy
ing these articles desire and himk they are purchasing "Con
gress" water, &c.; whereas at Saratoga here are waters of alf
kinds, from Congress down to dich water; and the articles impounds, entirely worthess, and often dangerous to persons destring the effect of Congress water, the effect of them being an
trely different from that of the genuine Congress water, frequently producing griping pains, vertigo, &c., sometimes resulting in serious permanent difficulties, by wakenings the digestive powers, and destroying the lone of the stomach and
towels, otten rendering a mild case of dysepsals incurable—
the effect being in no wise different from that produced by asiline canharited dissolved in or dinary water—while Congress
water produces neither griping or injurious affect in any case,
however debuilated the patient may be, it being tonic as well as
unrailve. The Congress spring, as is well known, is the spring
which during sixty-three years past, has built up the reputation of Saratoga, yet some have confounded the name of the
spring with that of the place, thus affording the opportunity for
swinders to foist worthless articles upon the public on the
strength of the repu atom obtained by the Congress spring, is a
long series of years. The injury thus inflicted upon the public
and ourselves is double, far on taking these spurious articles,
and finding either no effect or injurious effects from their use
strength of the repu atom obtained by the Congress water, supposine
that key have a creaty tried it. _______ not a sufficient giaranticles,
and be sufficient of the purpose of faling them with their value
less article, and selling it as Co

THE LEDGER ALPHABET. AT NINE O'CLOCK LAST SATURDAY NIGHT
The Philadelphians saw a sight
Which might well the stoutest heart affright,
And drive the brain distracted quite.

BY THE PIRST TRAIN ON MONDAY MORNING. Labor and time and expense scorning, BONNER, with his artists skilled, set out, Before rivals knew what he was about.

COMING TO THE SCENE OF THE DISASTER,
The artists sketched it fast, and laster;
With LEDG-R. demain the work was done
Beffer competities had begun. DOLLARS AND EAGLES CAN WORK WONDERS
In the hands of one who never blunders;
These sketches all, this (SATURDA?) morning,
The NEW YORK LEDGER are adorning.

EVERY INCIDENT WORTH NOTING Passengers burning, jumping, floating— The LkDGER (NOW READY) has them all; So for it early you must call;

FANRY FERN WILL BE ASTONISHED.
As well as those she has admonished
In her (see the LEDGER) sauty "Leat,"
The pluck of which transcends belief. CIBLS AND BOYS WHO LIKE ILLUSTRATIONS
Of burning terry boats, with combinations
Of pleasanter pictures, now take warning,
And buy the LEDGER early this morning.

HORRORS ON HOBRORS ARE ACCUMULATING;
And by them fathfully illustrating,
The NEW POHK LEDGER absad is going,
At a rate which is really well worth knowing.

IN ALL OF THE NEWS DEALERS STORES Great crowds are blocking up the doors, with pulls and tugs, and abouts and laughter It is the LEDGRE they're all after. TOIN IN THE BUSH, YOU WHO WANT TO SEE Pictures of the great cats-trophe; For of it, in all of its gradations, The LEDGER has the best illustry

K ISSES AND CAKES ARE LOVERS' FOOD. Hays Sidney Smith the parson good; On lovers, a story to your mind In the NEW YORK LEDGER you will find.

LIKE NATURE HEBSELF, THERE'S NO SATIRTY in the LEDGAR, but constant variety, So everybody in its contents. Will get more than the wor h of their four cents.

M OST THRILLING IS THE REPRESENTATION Of the LEDGER'S life-like illustration, And its touching recapitulation of the late ferry-hoat commagnation, NORMA DANTON IS THE STORY
Which will its author sain such glory,
Spread, as it is, through every nation,
By the LEDGEE's boundless circulation

OH, FOR A THOUSAND TONGUES TO SING The New York LEDGER'S praise! In all its likes there's not a thing Can touch it in these day.

PARTICULARLY ASTONISHING.
And to all rivals admonishing—
To all competitors a perfect wavning.
Is the LEDGER for this (Saturday) morning. QUEER IT IS, AND YET IT IS MOST TRUS,
The LEDGER, regardless of expense,
Though always getting up something new,
Is still sold everywhere for four cents.

READY NOW, AND RIGH AND RACY, Is the LEDGER, with its pictures; And its wit on every face a Thousand smiles will wreathe as fixtures.

Singularly Rich and Glorious— Just reward of toll laborious, And expenditure notorious— Comes the Lief GER, still victorious.

THWAITES, THE SKILFUL, DRAWS OUR SKETCHES, And his genius always fetches Beauties forth so very charmingly, 'Taint strange they sell so skarmingly. INIVERSAL CIRCULATION. Reaching all parts of the nation, The LEDGER asks, and that 'twill yet, In spite of opposition, get.

VICTORIA THE LEDGER READS,
While seated on her throne,
And Albert for it valuly pleads,
As he rocks the babe at borne

WONDERFULLY, WONDERFULLY
Is the LEDGER going;
But what wonder, when its with such
Excellence o'er dowing? XANTIPPE WAS A CROSS OLD CRONE, And made her husband dread her; But he'd have hed a peaceful kome, Could she have got the Licificer.

YOU HUSBANDS WHO HAVE SCOLDING WIVES.

ZEAL AND ENERGY WORK WONDERS,
Joined with tot, which makes no blunders;
And this, perhaps, is why the LEDGER soars
So far above all its competitors. TO CONCLUDE, PLEASE UNDERSTAND
While the LELGER'S out bright as the sun,
Scattering bleasings through the land,
THAT ITS CAREER BAS SCARCE BEGUN.

A WFUL CALAMITY!

A THE NEW YORK LEDGER does not claim that its illust ations of the late immettable disaster at Philadelphia are "the only authentic ones;" it simply claims that they are "the BEAT.

A thing may be autherned in feet, but stupid and bungling in execution; it was perhans judicious, therefore, in the LEBGER'S competitors to characterise their illustrations as "authentic." But they should have omitted the "only," it only for decency axis. Meside, it was unkind, not to say unitrue. The LEDGER'S litustrations are authentic, not in-"only authentic"—perhaps. Authensite is good word; but the LEDGER thinks BEST is more appropriate on this occusion. BEST, herefore, the two. The LEDGER'S litustrations of the burning of the Philadelphia ferry boat are simply the BEST. Price only four cents—there's where the "only" or mes in with the best effect;
